

The Lake County Sports Center would like to invite you to the Premier Indoor Soccer Facility in Lake County.

Dear Coach/Team Representative,

We would like to invite you and your team to join our youth indoor soccer leagues. Located on the Gurnee/Waukegan border our facility is in its 20th season and excited for the upcoming winter season. We have two large indoor turf fields, one of which is new and has dimensions of 200'x100'. The other field is slightly smaller at 200'x85'. These large fields will allow you to have more players participating on the field. We also offer a full food service snack bar and viewing area for the players and their guests. Here you can watch the action of the games or watch TV while enjoying something to eat. If you want to hear the energy from the games and have a better view, we have a large deck area on both fields.

The cost per team is \$1400. The season will consist of 10 games beginning Sunday, January 6th and ending March 10th. Nine regular season games and one playoff game will be played. Game times will be between 3pm and 6pm, but are subject to change. To register for our league please fill out the form and mail it in with a nonrefundable deposit of \$200, (if league does meet minimum numbers a full refund will be issued). We only have room for 6 teams in each division and a minimum of 4 to run the league.
